10. Any claim where the **insured person** is not represented by a law firm or barrister.

Conditions Applicable to this Section

1. An **insured person's** legal representation
 - (a) On receiving a claim, if legal representation is necessary, we will appoint a **preferred law firm** or in-house lawyer as an **insured person's appointed representative** to deal with their claim. They will try to settle the **insured person's** claim by negotiation without having to go to court,
 - (b) If the appointed **preferred law firm** or **our** in-house lawyer cannot negotiate settlement of the **insured person's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured person** may choose a law firm to act as their **appointed representative**.
 - (c) If the **insured person** chooses a law firm as their **appointed representative** who is not a **preferred law firm**, we will give the **insured person's** choice of law firm the opportunity to act on the same terms as the **preferred law firm**. However if they refuse to act on this basis, the most **we** will pay is the amount **we** would have paid if they had agreed to the **DAS Standard Terms of Appointment**.
 - (d) The **appointed representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.

2. An **insured person's** responsibilities

- (a) An **insured person** must co-operate fully with us and the **appointed representative**.
- (b) An **insured person** must give the **appointed representative** any instructions that we ask them to.

3. Offers to settle a claim

- (a) An **insured person** must tell us if anyone offers to settle a claim. An **insured person** must not negotiate or agree to a settlement without **our** written consent.
- (b) If an **insured person** does not accept a reasonable offer to settle a claim, **we** may refuse to pay further legal costs.
- (c) **We** may decide to pay the **insured person** the reasonable value of their claim, instead of starting or continuing legal action. In these circumstances the **insured person** must allow **us** to take over and pursue or settle any claim in their name. The **insured person** must also allow **us** to pursue at **our** own expense and for **our** own benefit, any claim for compensation against any other person and the **insured person** must give **us** all the information and help **we** need to do so.
- (d) Where settlement is made on a without-costs basis **we** will decide what proportion of that settlement will be regarded as **costs and expenses** and payable to **us**.

4. Assessing and Recovering Costs

- (a) An **insured person** must instruct the **appointed representative** to have legal costs taxed, assessed and audited if **we** ask for this.
- (b) An **insured person** must take every step to recover **costs and expenses** that **we** have to pay and must pay **us** any amounts that are recovered.

5. Cancelling an **appointed representative's** appointment

If the **appointed representative** refuses to continue acting for an **insured person** with good reason, or if the **insured person** dismisses the **appointed representative** without good reason, the cover **we** provide will end immediately, unless **we** agree to appoint another **appointed representative**.

6. Withdrawing cover

If an **insured person** settles or withdraws a claim without **our** agreement, or does not give suitable instructions to the **appointed representative**, we can withdraw cover and will be entitled to reclaim from the **insured person** any **costs and expenses we** have paid.

7. Expert Opinion

We may require the **insured person** to get, at their own expense, an opinion from an expert that **we** consider appropriate, on the merits of the claim or proceedings or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this, **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that an **insured person** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.

8. Arbitration

If there is a disagreement between an **insured person** and **us** about the handling of a claim and it is not resolved through **our** internal complaints procedure, the **insured person** can contact the Financial Ombudsman Service for help. Alternatively there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by the **insured person** and **us**. If there is a disagreement over the choice of arbitrator, we will ask the Chartered Institute of Arbitrators to decide.

12. Claims made under this policy by a third party

Apart from **us**, the **insured person** is the only person who may enforce all or any part of this section and the rights and interests arising from or connected with it. This means that the Contract (Rights of Third Parties) Act 1999 does not apply to this section in relation to any third-party rights or interests.

13. Other insurances

If any claim covered under this policy is also covered by another insurance policy, or would have been covered if this policy did not exist, we will only pay **our** share of the claim even if the other insurer refuses the claim.

In order to prevent and detect fraud **Classic Bike Direct**, or the **Insurer**, may at any time:

They keep a record of that search. **Classic Bike Direct**, or the **Insurer**, may also pass to credit reference agencies information **we** hold about **you** and **your** payment record with **us**. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. **Classic Bike Direct**, or the **Insurer**, may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by **us**, or the **Insurer**, acceptance or rejection of **your** application will not depend only on the results of the credit scoring process.
