

## **Do you need a Green Card for Riding in the EU?**

### **Travel before the 31<sup>st</sup> October 19:**

As the possible date of leaving the EU (also known as Brexit) has been extended to the 31<sup>st</sup> October 2019 **you do NOT need a green card** for trips before this date. As always, take a copy of your certificate of insurance with you.

### **Travel after the 31<sup>st</sup> October 19**

Whether a green card is required after the 31st October will depend on whether an agreement is reached between Parliament and the EU prior to this. Please check back here at least 14 days prior to leaving the UK for updated information

It is possible the above dates could change. If it does, we will amend this page to keep you up to date
